

Genius Incognito²

CUSTOM MADE WOOD VENEER
RETRACTABLE SCREENS FOR WINDOWS

FULLY SIZED AND ASSEMBLED

The Incognito²® Retractable Screen is a functional and elegant way to screen wood windows. Once in place this retractable window screen is virtually undetectable, yet readily available for use when needed. Using real wood veneer the Incognito²® comes standard in a variety of wood species finishes.

The screens arrive ready to install or may be purchased as bulk components that are packaged for speedy fabrication at your location. The Incognito²® looks great, operates smoothly and is the perfect finishing touch to any wood window.

A real Wow feature!

SERIES: INCOGNITO²

MODEL: GI4118 41mm Cassette

LIST PRICE CALCULATION:

Base Price
Rate Per Width per inch
Rate Per Height per inch

EXAMPLE: List price for a screen that is 22" W and 28" H:

Base Price

PART PROFILES

Notes: Genius screens are designed to support natural ventilation and protection against air born insects and other pests. Windy conditions may affect the performance of the screen. Retract the screen in windy circumstances, during inclement weather and when not needed to support immediate ventilation or prolong periods of time when not used.
