

Genius Retractable Screens

geniusscreens.com

The Olympic retractable screen allows for natural ventilation of medium and large size openings. It's the perfect choice for patio enclosures, gazebos, garage doors and other openings that are up to 10 feet tall and 19 feet wide!

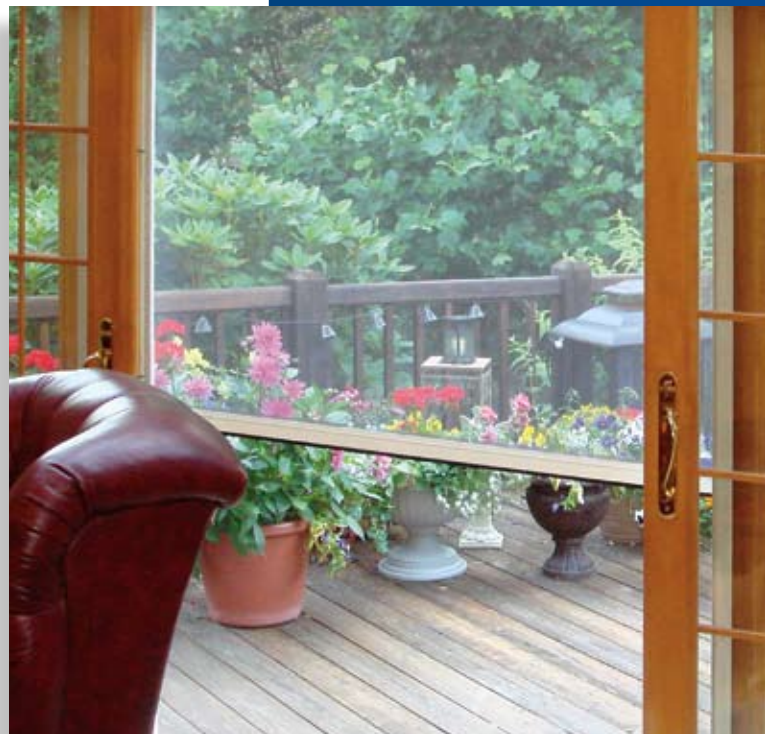

Available in a manual version with pull chain – or motorized with a portable and easy-to-use remote control – the Olympic is another work of **Genius**.

HEIGHT
MIN : 24" (60.96 cm)
MAX : 83" (210.82 cm)

Choose Manual or Motorized with Remote Control

A standing height pull-chain raises and lowers the Olympic manually.

The motorized version comes with an easy-to-use remote control. Open or close the screen with the touch of a button – a wonderfully convenient feature. One channel or three channel remotes available.
